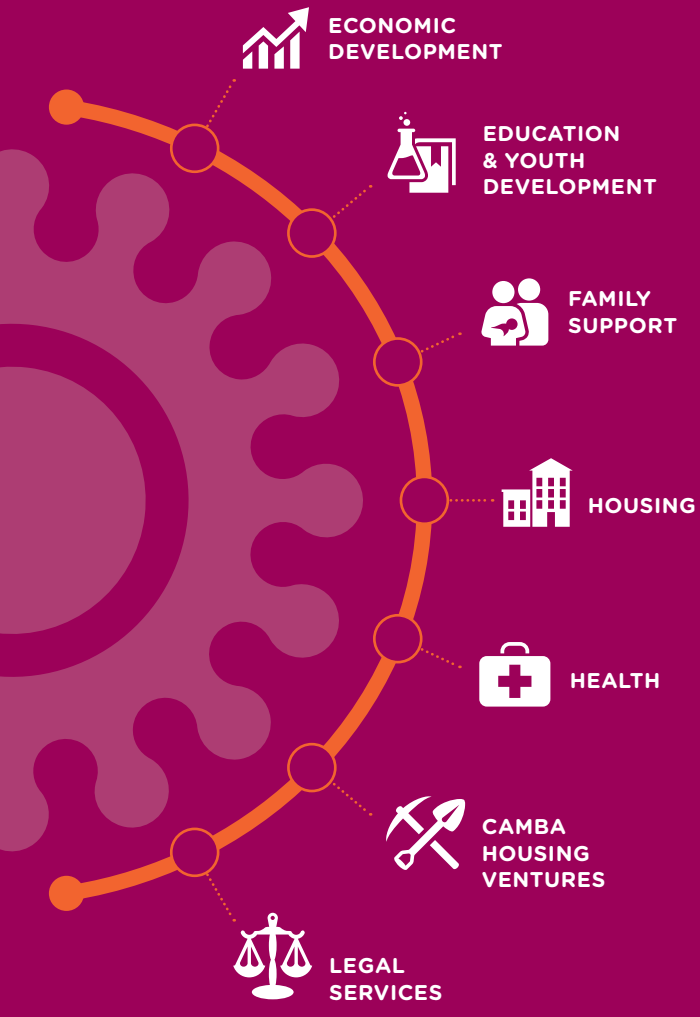
OUR COMPREHENSIVE APPROACH

CAMBA's community of clients, staff, volunteers, donors, neighbors and partners works together to build an inclusive New York City, where all children and adults have access to the resources and supports they need to thrive. We are able to help 45,000 people transform their lives annually by recognizing that individuals, families and communities need holistic solutions to tackle complex challenges.



Dear Friends and Supporters,

We are pleased to offer you CAMBA's 2016 Annual Report. In the last year, CAMBA was proud to help New Yorkers build stable foundations with the completion of CAMBA Housing Ventures' CAMBA Gardens Phase II, providing 293 affordable and supportive units and $100 million of public/private investment in Brooklyn. We opened six new Cornerstone Community Centers, which offer tutoring, community events, arts and fitness to almost 1,500 children and adults in public housing. Our lawyers were proud to represent and advise 1,542 immigrants as immigration rules are increasingly in flux.

We are celebrating CAMBA's 40th year anniversary this year by reaffirming our commitment to building an inclusive NYC—a place where all people are given access to the resources they need to thrive, regardless of their zip code.

We couldn't do it without your support. We hope you take as much pride as we do in another successful year.

Thank you,

Joanne M. Oplustil
President & CEO
CAMBA/CAMBA Housing Ventures

2016 ACHIEVEMENTS

ECONOMIC DEVELOPMENT

1,107 job placements with $13.90 average hourly wage

52 small business jobs created or preserved, a 48% increase since 2015

Pictured: Raúl Mendieta (left), owner of Mallenche Mexican Grill tracked his income with a paper and pen until CAMBA Small Business Services [Isaac Roldan, Program Director, (right)] provided technology training on a new point of sales system and created Raúl's website, both of which contributed to an increase in income, decrease in expenses and significant improvement in daily operations.

EDUCATION & YOUTH DEVELOPMENT

535 over-aged, under-credited students earned H.S. diplomas

1,011 youth placed in summer jobs that generated $1,285,470 in earned wages

With funding from the New York Community Trust, our Ready Readers project provides intensive literacy support and enrichment to 120 first, second and third graders in CAMBA after-school programs. As a result of our intervention, children have significantly improved their vocabulary and reading comprehension skills.

EDUCATION & YOUTH DEVELOPMENT

25% decrease in shootings across entire 73rd Precinct

57% decrease in shootings in the highest-conflict areas that Brownsville In Violence Out works in

Pictured (on left): Anthony Newerls, Program Manager with Brownsville In Violence Out (BIVO) and "Violence Interrupters" (middle and right) engage with young people in Brownsville, Brooklyn, reducing exposure to gun violence and gangs. In 2016, their work, with support from the community and local law enforcement, brought about an astounding reduction in violence. A precinct-level decrease in shootings was shown to be the result of BIVO's work to interrupt the cycle of violence block by block, building by building.

FAMILY SUPPORT

86% of children up-to-date on immunizations and doctor visits by age 2

88% of families in our foster care prevention programs avoided repeat abuse or neglect

"SafeCare helps you feel like you aren't just a mother; you're a person."

-DAYSHAWN NOBLE, PARTICIPANT IN CAMBA'S SAFECARE PROGRAM

CAMBA's SafeCare program provides one-on-one parent support in developing healthy parenting habits that maintain child safety and encourage parent-child bonding. The initiative provides parents with the confidence they need to better their lives and the lives of their children.

HOUSING

1,576 formerly homeless individuals remain stably housed in CAMBA's supportive housing units

4,736 families avoided homelessness through HomeBase and the Eviction Prevention Unit

CAMBA's You Can Van takes its homelessness prevention work to the streets. This eye-catching, retro-fitted RV roams throughout Brooklyn using data to pinpoint clients who are at-risk of eviction, all with stunning results: last year, 97% of enrolled clients were kept out of shelters and in their homes.

HEALTH

Improved healthcare access for **4,399** people through CAMBA's Health Link Program

362,412 healthy meals provided to individuals and families in need through CAMBA's food pantry

"I like volunteering with the Beyond Hunger Food Pantry because it gives me a chance to meet our clients where they're at—I know it isn't easy. I want to make their day a little bit better . . . And I love my garden."

-NEILA P.

Pictured: Neila P., a 97-year-old resident of Flatbush, has volunteered at the food pantry for 5 years. The Beyond Hunger Emergency Food Pantry provides nutritional food, including fresh vegetables from the pantry's hydroponic garden, and benefits screenings to those in need.

CAMBA HOUSING VENTURES

38 permanent jobs created

293 new units for low-income and formerly homeless households

"After becoming ill and losing my home, I was living in my car. . . . I never dreamed that I would be able to have a new start on life, living in a beautiful building . . . and having such wonderful support."

-GREGG L., CAMBA GARDENS I TENANT

TOP: Gregg L., a tenant at CAMBA Gardens I, is one of the building's most dedicated participants in CAMBA's tenant gardening program.

LEGAL SERVICES

Over 4,000 households received legal services

1,542 clients assisted in immigration matters

46 foreclosures prevented, keeping people in their homes

"Mrs. D was alone—no children, no family—and I helped her apply for her Green Card. I look forward to being here to help her apply for her citizenship in 3 years."

-JACQUELINE ACOBES, PARALEGAL

Pictured: CAMBA Legal Services paralegal, Jacqueline Acobes, is proud to stand beside her client, Mrs. D, and assist her along her path to citizenship.
